

Stewardship Annual Report

We closed out the 2023 Campaign exceeding the goal of \$125,000 by \$17,076, for a total of \$142,076. Thank you to the Vestry and the Stewardship committee for helping us get there.

The 2024 campaign is off to a great start and I hope we can maintain the momentum. We have some new pledgers which is satisfying. We continue to stress that 100% participation is our goal for 2024, and that each and every pledge (regardless of amount) is very important and received with gratitude and appreciation. The amount pledged at this point is \$96,120 and that is, I believe, more than at the same time last year. Our financial goal is again \$125,000 which I dare hope we will reach, perchance exceed.

Any comments, ideas, or suggestions are always welcome. We are in this together.

Thank you,
Inger Grüterich
